

COMMUNICATION STRATEGIES FOR EMPLOYEES & LEADERS THAT SAVE TIME, MONEY, & FRUSTRATION

Dave Hill is an engineer, a professional speaker, author, trainer, and award-winning storyteller and consultant. He is known for his Irish wit and his passion for helping people improve their communication skills.

Dave was born and raised in Ireland. He became Chief Engineer Officer on cargo ships, and his travels took him to 75 countries. By age 30, Dave had been around the world seven times. He has also worked as an Industrial Insurance Energy Risk Engineer, and as a Corporate Principal Risk Engineer for a chemical corporation in Texas, USA.

Dave was a finalist in the 2004 World Championship of Public Speaking and is the recipient of many other public speaking awards. Dave uses humor, his keen sense of observation, his business acumen and his worlds of experience to present powerful success-building tips and examples.

Whether you are a technical employee, a manager or an executive, you are involved in convincing others to buy into your concepts and take action. Let Dave help you communicate and present your ideas effectively.

Dave writes articles on workplace communication, leadership, and presentation skills at <http://www.ardmoremedia.com> and he is author of the books:

- Applause & Accolades, Attention-Grabbing Presentation Skills.
- The Re-Engineered Engineer, Communication Strategies for Data-Driven People.
